[FR] Originaire de l'île de la Réunion, je suis attaché à la diversité culturelle. Diplômé de l'ENSAAMA Paris, j'ai travaillé avec différentes Maisons et designers reconnus. J'aime créer des émotions, proposer une expérience avant la valeur esthétique, pour faire écho à des rêves ou des racines communes; écrire une histoire, et la faire vivre.

[FR] Designer indépendant depuis 2004, je travaille, aujourd'hui, avec de nombreuses sociétés internationales et j'enseigne le design à l'université de Toulouse. En 2019, je gagne le prix "German design Award". Passionné et empathique, je cherche à créer des produits décalés et sympathiques que les gens vont s'approprier. J'aime d'ailleurs explorer différents univers et créer des produits qui communiquent avec les gens.

[FR] Diplômé de l'école d'art et de design «Boulle» à Paris, c'est en 2006 que je crée ma propre agence, afin d'étendre une créativité unique sur des projets aux multiples facettes. Avec un savant mélange de sophistication, d'intelligence et de respect pour le besoin du client, je conçois mes meilleurs projets d'objets, de meubles et de design d'intérieur. Avec Flam & Luce, il s'agit de créer des lampes à la fois élégantes et expressives. Je veux offrir à l'utilisateur une expérience à travers des manipulations et des formes poétiques.

Ouvrez, ouvrez la cage aux oiseaux

Richard Pierre Duplessix

[FR] Ce qui m'a toujours attiré, c'est le rapport d'un objet à son environnement et sa place dans l'espace. Le design pour moi est un moyen d'échanger, de révéler l'aspect poétique d'un objet, de raconter une histoire, le but étant de combiner fonctionnalité et simplicité afin de provoquer une émotion. C'est seulement lorsque l'idée est définie que je me concentre sur la forme, la couleur et les détails.

[EN] What always attracted me, is the relationship of an object to its environment and its place in space. Design for me is a way to exchange, to reveal the practical and poetic aspect of an object, to tell a story. The goal is to combine functionality and simplicity to provoke an emotion. Only when the idea is set, I focus on colour, detail and shape.

[PT] O que sempre me atraiu é a relação de um objeto com seu ambiente e seu lugar no espaço. O design para mim é uma maneira de trocar, de revelar o aspecto prático e poético de um objeto, de contar uma história. O objetivo é combinar funcionalidade e simplicidade para provocar uma emoção. Unicamente quando a ideia está definida, foco-me na cor, detalhes e formas.

[FR] C'est au sein d'agences de design de renom que j'ai fait mes premières armes, avant de fonder ma propre agence ENJOY Design que j'anime durant près de 20 ans. Mon design a été de nombreuses fois primé et, fort d'une expérience au service de marques de luxe, j'aspire à la maîtrise ultime de l'ensemble des facettes de la création.

[FR] Pour moi, la conception d'un objet ou d'un lieu part toujours d'une histoire particulière : un savoir-faire spécifique, les qualités d'un matériau, la lumière d'un espace, en résonance avec les besoins d'un projet particulier. Je veux ainsi donner forme aux émotions, aux récits et aux rêves.

[FR] Après une carrière de chef d'entreprise, c'est dans un village Sénégalais que je me passionne pour le métal. Je parfais ma formation en France, installe mon atelier de fabrication de meubles et me lance avec enthousiasme dans le design de mobilier contemporain. Ma volonté : privilégier l'usage. L'utilisation de matériaux nobles, le métal et le bois, permet que mes créations s'intègrent dans leur environnement.

[FR] De mes origines métissées de Bretagne et d'Afrique, je conserve le besoin de mixer les influences à travers des créations poétiques où la matière et la couleur surgissent et font vibrer des lignes épurées et intemporelles. Mon travail dialogue entre savoir-faire artisanal et modernité. Pour Flam&Luce, je conçois des collections de luminaires comme autant de personnages ou d'univers.

[EN] From my mixed origins in Brittany and Africa, I keep the need to mix influences through poetic creations where matter and colour arise and vibrate clean, timeless lines. My work dialogues between artisanal know-how and modernity. For Flam & Luce, I design collections of lights like so many characters or universes.

[PT] Das minhas origens mistas de Bretanha e de África, mantenho a necessidade de misturar influências através de criações poéticas onde a matéria e a cor surgem e fazem vibrar linhas puras e intemporais. O meu trabalho dialoga entre o saber artesanal e a modernidade. Para a Flam & Luce, desenho colecções de luzes como tantos personagens ou universos.

[FR] Étant un homme de ressenti, un designer / créateur autodidacte, mes collections se veulent distinguées et gracieuses. Pour moi, les sentiments se retrouvent dans les formes oú la subtilité et la sensualité se rejoignent. Je dessine des lignes d'objets pour la maison, inspirés par les lieux de mon enfance, en harmonie complète avec la vie que je mène désormais en Provence.Pour Flam & Luce, je dessine lampes et objets complémentaires aux lignes épurées.

[EN] Being a man of feelings, a self-taught designer and "créateur", my collections tend to be graceful, airy and distinguished. For me, feelings are found where subtlety and sensuality come together. I design lines of home objects inspired by the places of my childhood, in complete harmony with my current life today in Provence. For Flam & Luce, I create lamps and accessories of pure lines.

[FR] Une personnalisation maximale, des pièces uniques

Pour chaque collection, nous vous proposons une palette de couleurs standard, en harmonie avec les tendances actuelles. Le détail de chaque finition se trouve ci-dessous. Chez Flam & Luce, en tant que fabricants, nous vous permettons de choisir d'autres finitions, en dehors de cette sélection et grâce à une vaste palette chromatique, tant pour les céramiques, les abat-jours, les fils textiles, les verres ou les socles en pierre mais aussi les finitions sur le bois ou les métaux. Vos pièces seront ainsi uniques et inimitables. Il existe plusieurs boîtes d'échantillons avec tous les matériaux.

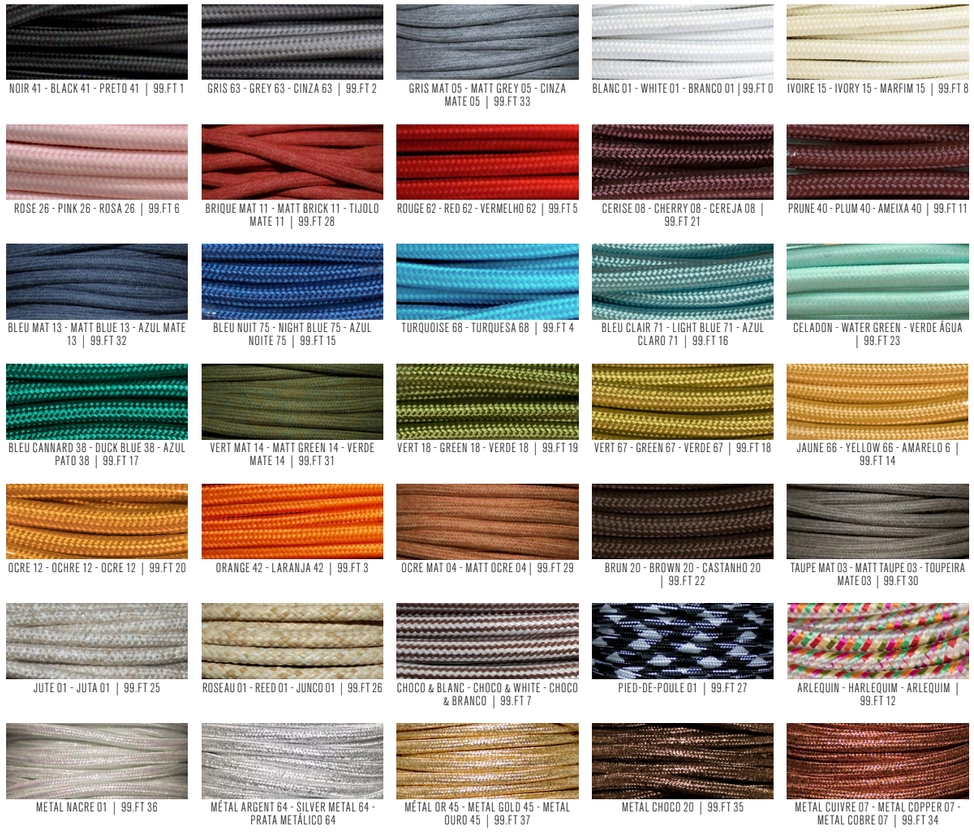

[EN] Maximum customisation, unique pieces

For each collection, we present a selection os standard colours, in line with the latest trends. You will find, below, the detail of each one of them. Nevertheless you can choose outside this selection as we have an expanded colour palette for ceramics, lampshades, textile cord, natural stones and glass, as well as finishes on wood or metal. This means that your pieces will be unique. There is, at your disposal, a sample box with all the materials used.

[PT] Personalização máxima, peças únicas

Para cada coleção propomos uma seleção de cores standard, em linha com as tendências mais actuais. Desta forma as suas peças serão únicas. Existe uma caixa de amostras com todos os materiais utilizados.
