Eclo

«Eclo» est un luminaire élancé dont le mouvement évoque un corps qui se dresse pour projeter sa lumière.
Son socle en demi-sphère donne naissance à une longue tige.
Elle s'étend en hauteur pour déployer, en son sommet, une légère feuille pliée qui protège et guide sa source lumineuse.
L'objet est fabriqué en métal cintré pour ses tiges, tourné pour son socle et plié pour l'abat-jour.
Par ses lignes courbes, «Eclo» propose un dessin à l'allure mi-animal mi-végétal qui se décline en lampe à poser et en lampadaire.

"Eclo" is a slender luminaire whose movement evokes a body that rises to project its light.
Its half-spherical base gives rise to a long stem.
It extends in height to deploy, at its summit, a light folded sheet which protects and guides its light source.
The object is made of curved metal for its stems, turned for its base and folded for the lampshade.
With its curved lines, "Eclo" offers a design with a half-animal, half-plant which is available as a table, a bedside and Floor lamp.

"Eclo" é uma luminária esbelta cujo movimento evoca um corpo que se levanta para projetar sua luz.
Sua base semiesférica dá origem a um longo caule. Estende-se em altura para implantar, no seu cume, um folha dobrada leve que protege e orienta a sua fonte de luz.
O objeto é feito de metal curvo em suas hastes, torneado para a base e dobrada para o abajur.
Com suas linhas curvas, "Eclo" oferece um design meio animal, meio planta que está disponível em versão de mesa, de cabeceira ou ainda de chão.

Vento

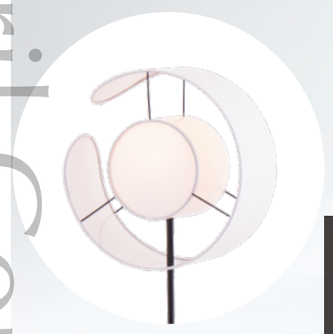

C. GORN

De forme circulaire, à la fois pop et élégante, les lampes VENTO s'inscrivent totalement dans la tendance actuelle. La position verticale de l'abat-jour aux allures de turbine éolième tranche avec nos habitudes, et provoque l'intérêt.

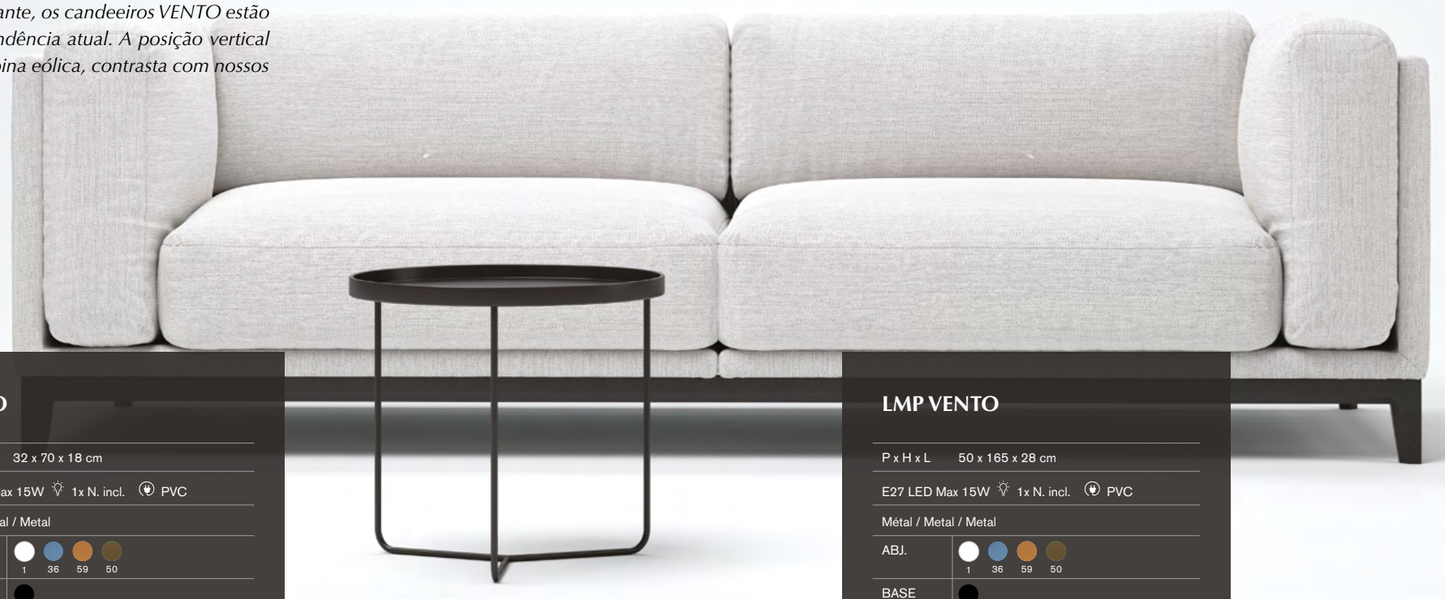

Circular in shape, both pop and elegant, VENTO lamps are totally in line with the current trend. The vertical position of the lampshade, which looks like a wind turbine, contrasts with our habits and arouses the interest of the user.

De formato circular, pop e elegante, os candeeiros VENTO estão totalmente alinhados com a tendência atual. A posição vertical do abajur, que lembra uma turbina eólica, contrasta com nossos hábitos e desperta o interesse.

Les lampes OLYMPE sont un clin d'oeil aux JO de Paris 2024. Les socles en bois sont surmontés d'éléments en verre qui nous évoquent la flamme olympique.

The OLYMPE lamps are a nod to the Paris 2024 Olympic Games. The wooden bases are topped with glass elements which remind us of the Olympic flame.

A gama OLYMPE é uma homenagem aos Jogos Olímpicos de Paris 2024. As bases de madeira são cobertas por elementos de vidro que nos lembram a chama olímpica.

Les lampes JOY sont lá pour égailler nos espaces de vie; pour apporter de la gaieté, de la fraicheur, de la joie, à nos intérieurs. Avec plusieurs points lumineux articulés, le lampadaire peut devenir plus ou moins ludique, selon les positions choisies pour les abat-jours, proposés sur une palette de couleurs très vives.

Louzieh

FLAM & LUCE **STUDIO**

Il semblerait que le mot «macaron» soit d'origine arabe. «Louzieh» (qui signifie «amande») est le nom donné à cette fameuse pâtisserie, en Syrie. La gamme LOUZIEH est constituée d'au moins 2 éléments en céramique et d'une structure en métal qui les traverse.

It seems that the word "macaron" is of Arabic origin. "Louzieh" (meaning "almond") is the name given to this famous pastry in Syria. The LOUZIEH range is made up of at least 2 ceramic elements and a metal structure running through them.

Beta

FLAM & LUCE **STUDIO**

BETA est la deuxième lettre de l'alphabet grec, dérivée de la lettre «bet» de l'alphabet phénicien, qui est, elle-même, basée sur le hiéroglyphe qui représente une maison stylisée.
Le luminaire BETA aporte donc du style à la maison. Tel un tableau ou une sculpture géométique, BETA rempli l'espace de forme atypique.

BETA is the second letter of the Greek alphabet, derived from the letter "bet" of the Phoenician alphabet, which is itself based on the hieroglyph which represents a stylized house.
The BETA light fixture therefore brings style to the home. Like a painting or a geometric sculpture, BETA fills the space with an atypical shape.

BETA é a segunda letra do alfabeto grego, derivada da letra "bet" do alfabeto fenício, que se baseia no hieróglifo que representa uma casa estilizada.
A luminária BETA traz, portanto, estilo para a casa. Tal como uma pintura ou uma escultura geométrica, BETA preenche o espaço de forma atípica.

NODIA nous apparait comme une boule feu représentée par un globe de structure métalique, recouvert de fibres textiles tressées à la main. La lumière rayonne à travers toute la structure, créant un jeu d'ombres spéctaculaire.

NODIA appears to us like a fireball represented by a globe of metal structure, covered with hand-woven textile fibers. Light radiates throughout the structure, creating a spectacular play of shadows.

Aux allures de trépied classique, STICKS déjoue la gravité en se tenant debout (presque) comme par magie. Son allure légère lui confère une élégance particulière, juste contrebalancée par un abat-jour double quasiment trop grand pour lui.

Looking like a classic tripod, STICKS thwarts gravity by standing upright (almost) as if by magic. Its light appearance gives it a particular elegance, just offset by a double lampshade that is almost too large for it.

Parecendo um tripé clássico, o STICKS desafia a gravidade ficando em pé (quase) como por magia. O seu aspecto leve confere-lhe uma elegância particular, apenas compensada por um abajur duplo que é praticamente grande demais para ele.

Chef

Nos maisons évoluent et avec elles, les répartitions des volumes. La cuisine est au coeur de l'espace de vie. C'est là que l'on se rejoint, que l'on partage ou qu'on se repose. La ligne CHEF vient harmoniser cet espace commun. Les ustentiles de la cuisine deviennent des lampes pour n'importe quel espace à vivre: un lampadaire pour le salon ou encore des chevets pour les chambres, par exemple.

Our houses are evolving and with them, the distribution of volumes. The kitchen is at the heart of the living space. This is where we come together, share or rest. The CHEF line harmonizes this common space. Kitchen utensils become lamps for any living space: a floor lamp for the living room or even bedside tables for bedrooms, for example.

As nossas casas estão a evoluir e com elas a distribuição dos volumes. A cozinha está no centro da sala de estar. É aqui que nos reunimos, partilhamos ou descansamos. A linha CHEF harmoniza esse espaço comum. Os utensílios de cozinha tornam-se candeeiros para qualquer espaço: um candeeiro de pé para a sala ou até mesas de cabeceira para quartos, por exemplo.

STUDIO

FLAM & LUCE **STUDIO**

SOLAR est une lampe futuriste aux volumes déconcertants. Sur un socle en chêne massif vieilli se dresse un demi-globe d'aluminium martelé qui reflète de façon assez curieuse la lumière qui vient de son centre. Inspirée du Grand Téléscope Millimétrique du Mexique qui permet aux astronomes d'observer des régions masquées par la poussière du milieu interstellaire, SOLAR combat les espaces sombres de nos maisons (les trous noirs) par les reflets de sa luminosité spectaculaire.

SOLAR is a futuristic lamp with disconcerting volumes. On a solid aged oak base stands a half-globe of hammered aluminum which reflects in a rather curious way the light coming from its center. Inspired by the Large Millimeter Telescope of Mexico which allows astronomers to observe regions obscured by the dust of the interstellar medium, SOLAR combats the dark spaces of our homes (black holes) with the reflections of its spectacular luminosity.

Ce lampadaire énergique nous fait voyager dans l'espace-temps. Son abat-jour concentrique en dégradé de couleurs, donne un effet de profondeur tel l'aspiration d'un trou noir. L'onde se propage et diffuse de l'atmosphère une énergie lumineuse. Légère et élancée, elle semble mystérieusement flotter au-dessus de son pied en marbre.

This energetic floor lamp takes us on a journey through space-time. Its concentric shade in color gradient, gives an effect of depth like the aspiration of a black hole. The wave propagates and diffuses luminous energy from the atmosphere. Light and slender, it seems mysteriously floating above its marble foot.

UFO

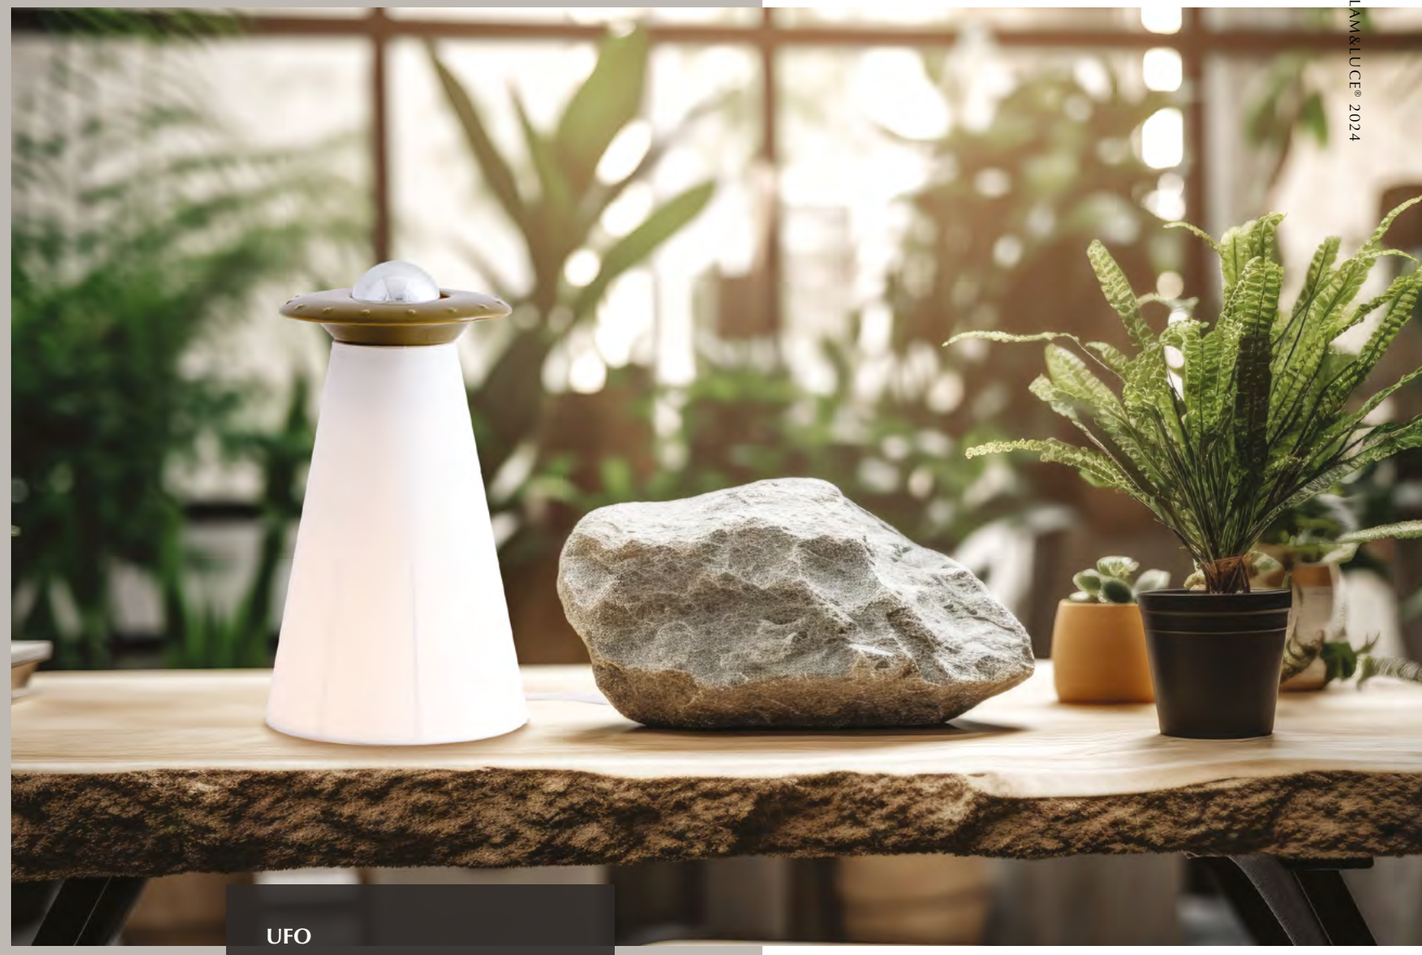

Luigi Cittadini

La lampe UFO puise son inspiration dans la typique forme des soucoupes volantes, en y ajoutant une touche ludique et amusante. Presque comme un dessin animé volant à la recherche de quelque chose à enlever, cette lampe éclairera sûrement tous les espaces grâce à sa lumière et aux sourires qu'elle suscitera.

The UFO lamp get its inspiration from the classic U.F.O. saucer shape, adding a playful and fun twist on the extraterrestrial theme. Almost like a cartoon that is flying and looking for something to abduct, this lamp will surely bright up any spaces thanks to its light and to the smiles it will bring.

O candeeiro UFO inspira-se na forma típica dos discos voadores, acrescentando um toque lúdico e divertido. Quase como um desenho animado a voar à procura de algo para levar, este candeeiro irá certamente iluminar qualquer espaço com a sua luz e os sorrisos que vai trazer.
