Olivier Toulouse

Designer indépendant depuis 2004, je travaille, aujourd'hui, avec de nombreuses sociétés internationales et j'enseigne le design à l'université de Toulouse. En 2019, je gagne le prix "German design Award". Passionné et empathique, je cherche à créer des produits décalés et sympathiques que les gens vont s'approprier. J'aime d'ailleurs explorer différents univers et créer des produits qui communiquent avec les gens.

Freelance designer since 2004, I work with many international companies and teach design at the University of Toulouse. In 2019, I won a German design Award. Passionate and empathetic, I seek to create quirky and sympathetic products that people will appropriate. I enjoy exploring different universes and creating products that communicate with people.

Designer independente desde 2004, trabalho, hoje, com inúmeras empresas internacionais e dou aulas de Design na Universidade de Toulouse. Em 2019, ganho o prémio "German Design Award". Trabalhando com paixão e empatia, procuro criar artigos diferentes e simpáticos que as pessoas vão apropriar-se. Adoro, por isso, explorar diferentes universos e criar artigos que comunicam com as pessoas.

Diplômé de l'école d'art et de design «Boulle» à Paris, c'est en 2006 que je crée ma propre agence, afin d'étendre une créativité unique sur des projets aux multiples facettes. Avec un savant mélange de sophistication, d'intelligence et de respect pour le besoin du client, je conçois mes meilleurs projets d'objets, de meubles et de design d'intérieur. Avec Flam & Luce, il s'agit de créer des lampes à la fois élégantes et expressives. Je veux offrir à l'utilisateur une expérience à travers des manipulations et des formes poétiques.

After graduating from the Art and Design school « Boulle » in Paris, I decided to create my own agency in 2006, in order to extend unique creativity on multifaceted projects. With a genius mix of sophistication, cleverness and respect for the customer need, I always design the best object, furniture and interior design projects. With Flam&Luce, I create lamps that are both elegant and expressive. I want to offer to the user, experience through manipulations and poetic forms.

Originaire de l'île de la Réunion, je suis attaché à la diversité culturelle. Diplômé de l'ENSAAMA Paris, j'ai travaillé avec différentes Maisons et designers reconnus. J'aime créer des émotions, proposer une expérience avant la valeur esthétique, pour faire écho à des rêves ou des racines communes; écrire une histoire, et la faire vivre.

Born in Reunion Island, I am attached to cultural diversity. Graduated from ENSAAMA Paris, I have worked with various Maisons and renowned designers. I like to create emotions, to offer an experience before any aesthetic value, to echo dreams or common roots; write a story, and bring it to life.

Nativo da Ilha da Reunião, estou ligado à diversidade cultural. Licenciado da ENSAAMA Paris, trabalhei com diferentes gabinetes e designers reconhecidos. Gosto de despertar emoções, propôr uma experiência antes de um valor estético, para fazer ecoar sonhos ou raízes comuns; escrever uma história e dar-lhe vida.

Ce qui m'a toujours attiré, c'est le rapport d'un objet à son environnement et sa place dans l'espace. Le design pour moi est un moyen d'échanger, de révéler l'aspect poétique d'un objet, de raconter une histoire, le but étant de combiner fonctionnalité et simplicité afin de provoquer une émotion. C'est seulement lorsque l'idée est définie que je me concentre sur la forme, la couleur et les détails.

What always attracted me, is the relationship of an object to its environment and its place in space. Design for me is a way to exchange, to reveal the practical and poetic aspect of an object, to tell a story. The goal is to combine functionality and simplicity to provoke an emotion. Only when the idea is set, I focus on colour, detail and shape.

O que sempre me atraiu é a relação de um objeto com seu ambiente e seu lugar no espaço. O design para mim é uma maneira de trocar, de revelar o aspecto prático e poético de um objeto, de contar uma história. O objetivo é combinar funcionalidade e simplicidade para provocar uma emoção. Unicamente quando a ideia está definida, foco-me na cor, detalhes e formas.

C'est au sein d'agences de design de renom que j'ai fait mes premières armes, avant de fonder ma propre agence ENJOY Design que j'anime durant près de 20 ans. Mon design a été de nombreuses fois primé et, fort d'une expérience au service de marques de luxe, j'aspire à la maîtrise ultime de l'ensemble des facettes de la création.

I made my debut in distinguished design agencies before founding my own agency: ENJOY Design, which I will cheer for about 20 years. As an award-winning designer, and experience working with luxury brands , I tend to master any aspect of creation.

Após uma estreia em agências de design de renome, fundei, há 20 anos, a minha própria agência: ENJOY Design. Com o meu design premiado, trabalho com marcas de luxo, e aspiro em dominar todas e qualquer faceta da criação.

Né à Casablanca d'un père Italien et d'une mère Française, j'ai grandi dans un environnement multiculturel, qui se traduit par la recherche continue de contrastes dans mes projets. Mélanger de nombreuses influences culturelles, d'horizons différents, suivant les besoins des entreprises et des mémoires de conception, n'est pas seulement un objectif, c'est une nécessité.

Born in Casablanca of an Italian father and a French mother, I grew up in a multicultural environment, which is reflected in the continuous search of contrasts in my projects. Mixing many cultural influences, from different horizons, with companies needs and design briefs is not only a goal but also a necessity.

Pour moi, la conception d'un objet ou d'un lieu part toujours d'une histoire particulière : un savoir-faire spécifique, les qualités d'un matériau, la lumière d'un espace, en résonance avec les besoins d'un projet particulier. Je veux ainsi donner forme aux émotions, aux récits et aux rêves.

For me, the conception of an object or a place always starts from a particular story: specific know-how, the qualities of a material, the light of a space, in resonance with the needs of a particular project. I want to give shape to emotions, stories and dreams.

Diplômé en Design Industriel depuis 2015, j'essaie de combiner les produits que je crée avec simplicité et élégance avec sa fonctionnalité. Dans les lampes que j'idéalise, j'ai l'intention qu'elles s'enveloppent dans un environnement, pas seulement comme un ustensile mais aussi une pièce décorative.

Graduated in Industrial Design since 2015, I try to combine the products that I create with simplicity and elegance along with its functionality. I want the lamps that I design to be involved in an environment; not only a tool but also a piece of decoration.

Florence Bourel

De mes origines métissées de Bretagne et d'Afrique, je conserve le besoin de mixer les influences à travers des créations poétiques où la matière et la couleur surgissent et font vibrer des lignes épurées et intemporelles. Mon travail dialogue entre savoir-faire artisanal et modernité. Pour Flam&Luce, je conçois des collections de luminaires comme autant de personnages ou d'univers.

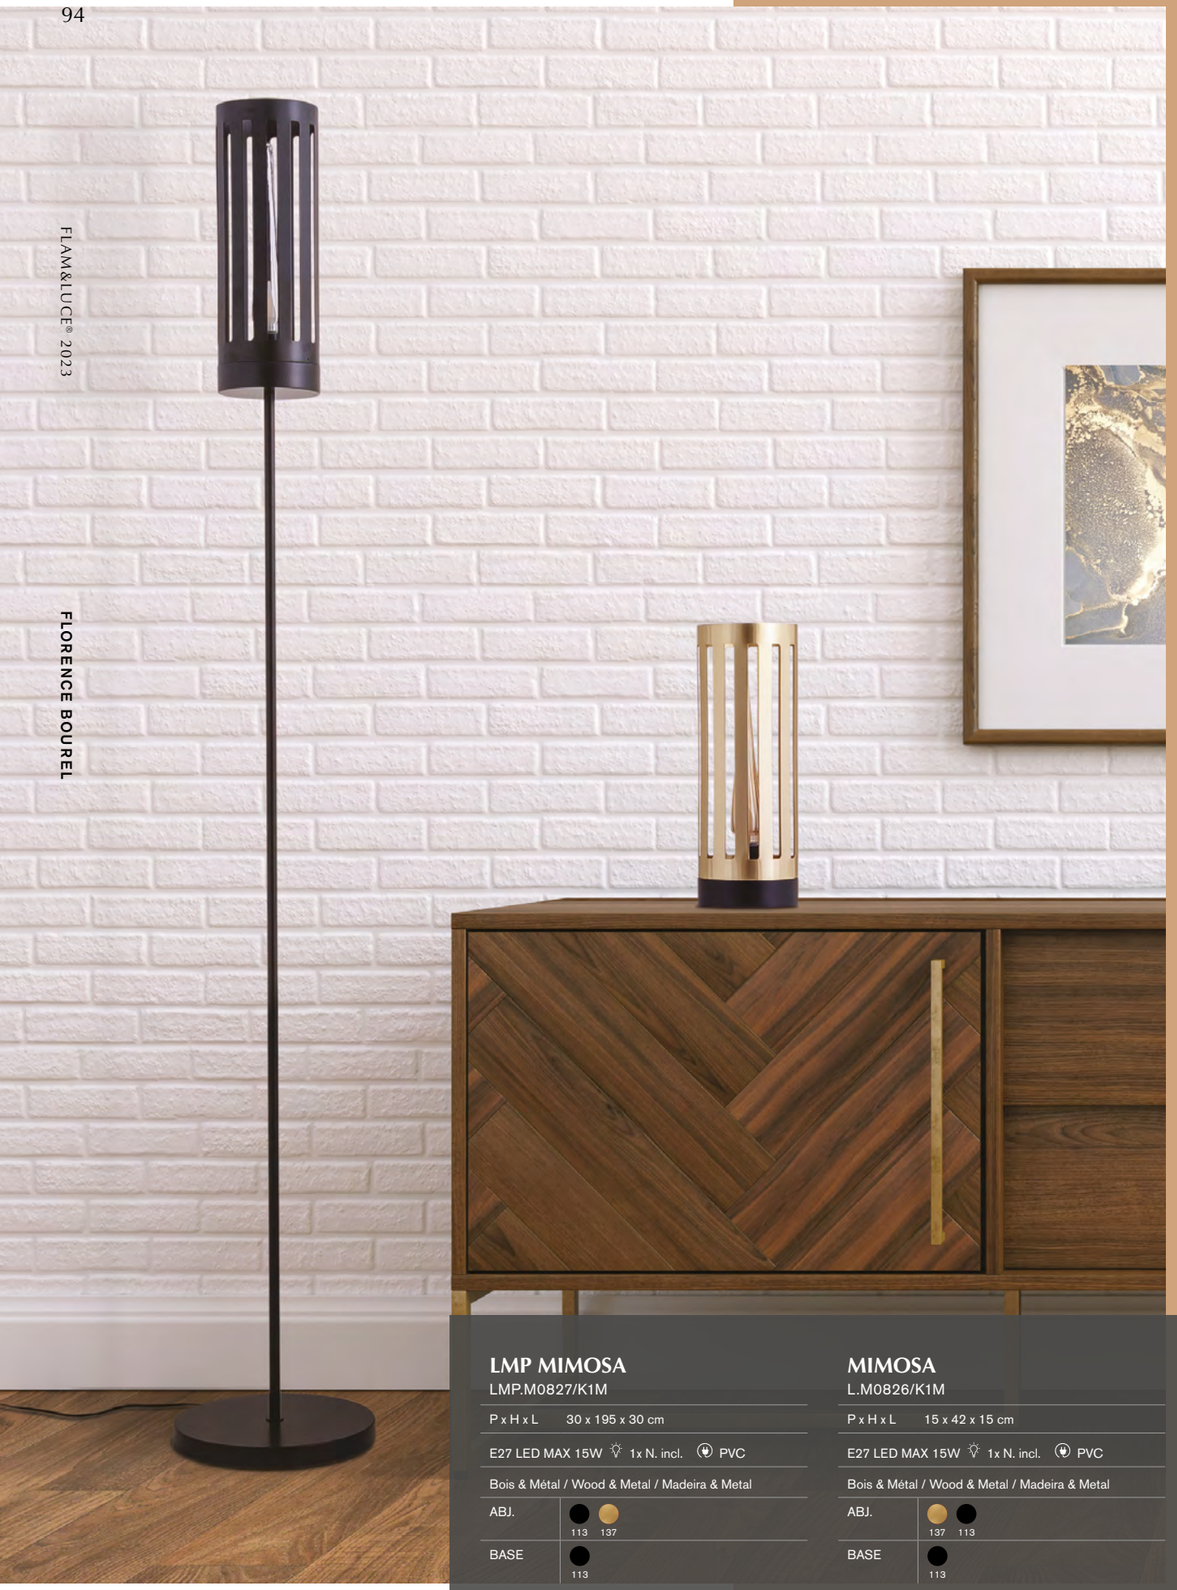

From my mixed origins in Brittany and Africa, I keep the need to mix influences through poetic creations where matter and colour arise and vibrate clean, timeless lines. My work dialogues between artisanal know-how and modernity. For Flam & Luce, I design collections of lights like so many characters or universes.

Das minhas origens mistas de Bretanha e de África, mantenho a necessidade de misturar influências através de criações poéticas onde a matéria e a cor surgem e fazem vibrar linhas puras e intemporais. O meu trabalho dialoga entre o saber artesanal e a modernidade. Para a Flam & Luce, desenho colecções de luzes como tantos personagens ou universos.

Étant un homme de ressenti, un designer / créateur autodidacte, mes collections se veulent distinguées et gracieuses. Pour moi, les sentiments se retrouvent dans les formes oú la subtilité et la sensualité se rejoignent. Je dessine des lignes d'objets pour la maison, inspirés par les lieux de mon enfance, en harmonie complète avec la vie que je mène désormais en Provence.Pour Flam & Luce, je dessine lampes et objets complémentaires aux lignes épurées.

Being a man of feelings, a self-taught designer and "créateur", my collections tend to be graceful, airy and distinguished. For me, feelings are found where subtlety and sensuality come together. I design lines of home objects inspired by the places of my childhood, in complete harmony with my current life today in Provence. For Flam & Luce, I create lamps and accessories of pure lines.

Sendo um homem de sensações, un designer / criador autodidacta, as minhas colecções querem-se elegantes, delicadas e graciosas. Para mim, os sentimentos surgem das formas, onde a subtileza e a sensualidade se juntam. Desenho linhas de objectos para a casa, inspirados pelos locais da minha infância, en harmonia completa com a vida que eu tenho agora na Provence. Para Flam & Luce, desenvolvo candeeiros e acessórios de linhas refinadas.
